Bethlehem Area School District - June 2017

Summer Food Service Program

Over 50% of the BASD families qualify for the free and reduced lunch. Many of these students may go hungry when school is not in session. The district, in cooperation with the Pennsylvania Department of Education offers a summer food service program. Listed, below are the sites of the “open” programs. Students may go to these sites for summer meals. Please note, some sites offer breakfast and/or snacks in addition to lunch. **No registration is required.**

Schools or families can use any of the following methods to locate sites that serve free meals to children during the summer:

- Call 211
- Call 1.866.3Hungry or 1.877.8Hambre
- Text “MEALPA” to 877877 during the summer months
- Visit the website: www.fns.usda.gov/summerfoodrocks (note, this replaces the whyhunger.org website)
- Use the site locator for smartphones - Rangeapp.org
