

BETHLEHEM AREA SCHOOL DISTRICT  
Bethlehem, Pennsylvania

**LAWN CARE SERVICES**

**BULLETIN # 1**

January 19, 2012

This bulletin is being issued to answer the questions that were entertained at the mandatory pre-bid meeting on January 18, 2012.

- The City of Bethlehem will accept all leaves that the contractor collects on school district properties. The contractor must notify the Facilities Department when they plan on dropping off the material to the City of Bethlehem Recycling Center.
- Solar Fields – Plan on estimating 15 cuts – grass to be maintained between 4 and 6 inches.
- Please reference the Bethlehem Area School Website – go to Facilities & Plant Operations Reference Link to review site maps of our facilities.
