### K. Prices:

Bids will be considered and awarded on an item-by-item basis. Bids with lump sum discounts or minimum quantity pricing will not be considered.

Bids must show unit, extension (price/unit), and total price as designated on the bid specification forms. All bids shall be net delivered prices. Should figures be irreconcilable, the lowest unit price shall govern and awards will be made on this basis.

The bid specification forms contain specific packaging units of measure. Any bid where the packaging quantity differs from the specifications must be clearly indicated. The Bidder must note the extrapolation which would proportionately change the total bid quantity and the respective total bid price to reflect the difference in the packaging unit of measure being bid. This shall be the responsibility of the Bidder preparing and submitting the bid response. If no change is indicated, it shall be assumed that the bid price is reflective of the quantity as indicated in the specification presented.

Changes or alterations in the bid are not permitted. Prices quoted must be typewritten or written with ink.

### L. Quality of Material:

All material furnished shall be new, and of the best quality of their respective kinds. The Bidder must supply descriptive literature and supply samples (if requested) for any and all alternate item(s) bids.

Where alternate items are accepted, Bidders proposing alternate products must state the following on the bid form in the alternate section - name of the manufacturer and product name/number. Bidders must be prepared to submit, upon request, samples and/or descriptive literature at no costs to the Bethlehem Area School District. Samples not consumed in testing may be retrieved by Bidders at the Education Center after the bid award. Failure to produce the required samples or literature when required will be a basis to disqualify the alternate item bid.

Samples, where requested, must be received in the BASD Business Office, 1516 Sycamore Street, Bethlehem PA 18017, within five (5) business days from date of request.

Failure to change the description as indicated above will be interpreted to mean the Bidder intends to furnish the particular make of article called for in the specifications. Substitutions will not be permitted after bids have been opened and awarded by the Bethlehem Area School District.
