Bethlehem Area School District
District-wide E-Mail List and School E-Mail Lists

Bethlehem Area School District is implementing subscription e-mail lists so that principals and district administrators can send school-related news and information to parents and community members through e-mail. This document will assist you with the process of signing up for these e-mail lists. Please note that the district respects your privacy and will not share your e-mail information with any other entity. In addition, the District E-mail list and the School News mailing lists are read-only lists. Subscribers will not be able to send messages to the lists, and subscribers will not be able to view the list of other subscribers.

To subscribe to a school or district e-mail list, follow the directions below:

1. Open your web browser (Internet Explorer, Firefox, Chrome, Safari) and navigate to <https://news.beth.k12.pa.us/mailman/listinfo/>. You may also access this link from the district's home page, located at <http://www.beth.k12.pa.us>.

Note: If you receive a message in your browser about the web site certificate not being trusted, you may still continue to the site.

2. To subscribe to the **District-wide** e-mail list, select the **basd-news** list above. If you wish to subscribe to a **School** e-mail list, click on the name of the school list to which you would like to subscribe. You may sign up for as many subscriptions as you wish.
3. On the next page, enter your e-mail address, name, and password as requested. **As indicated on the page, do not use a valuable password.**
4. For the question “Would you like to receive list mail batched in a daily digest?”:
 If you answer **Yes**, you will receive one e-mail each day with all of the day’s messages combined into one message. This is useful when mailing lists have a large volume of e-mail being sent each day.
 If you answer **No**, you will receive each individual message as it is sent. This will not be a large-volume mailing list; therefore, we recommend answering **No** to this question.
5. Click the **Subscribe** button. An example showing a subscription to James Buchanan Elementary School is pictured below.
