MISSION STATEMENT

The Bethlehem Area School District, in partnership with the home and community, is committed to providing a safe and supportive environment in which each student will attain the knowledge, skills, and attitudes necessary to become a productive citizen and lifelong learner in our technologically demanding and culturally diverse society.

ROLE OF A SCHOOL BOARD DIRECTOR

The Bethlehem Board of School Directors, in accordance with applicable laws and regulations, establishes policies, rules, and procedures for the governance of the Board, and for the safe and orderly operation of the school district. The Board acts as a general agent of the people of the district in the matter of public education. It establishes educational goals for district students and governs a program of education designed to meet those goals. The Board approves the annual budget and sets the real estate tax millage rate. The Board is responsible for overseeing the implementation of mandatory laws and regulations, and shall be the agent responsible for establishing, maintaining, and evaluating the public education activities of the school district, in accordance with law.

ROLE OF STUDENT REPRESENTATIVES

Per Board Policy, the Board of School Directors has student representation from both Freedom High School and Liberty High School. The Robert's Rules of Order are followed at all of the meetings. Please check the district's website to check date, time, and location of meetings at www.beth.k12.pa.us.

AGENDA

Public meetings of the Board of School Directors follow an agenda guideline set by the state Legislature in the Pennsylvania School Code and are part of the Board Policy. Items on the agenda are recommended by the administration and board members. The President of the Board is elected annually by fellow School Directors, and leads all Regular and Special Board Meetings. The Vice President leads meetings in the President's absence. Board members are selected as Committee Chairs, and they lead the respective Committee Meeting. Agendas are developed by the Superintendent's Office. Agendas are on the district's website at 4:00 p.m. the Friday before the meeting at www.boarddocs.com/pa/beth/Board.nsf/Public.

PUBLIC COMMENT

At Board Committee Meetings, Regular Board Meetings, Special Board Meetings, and Budget Workshops, the Board offers two Courtesy of the Floor segments. The first Courtesy of the Floor is for agenda items only, and the second Courtesy of the Floor is for any district concerns or business. Speakers are asked to come to the podium, stating their name and address. Speakers are limited to three minutes each. The Board requests that, when possible, all individuals supporting a like position on a topic select a speaker to present their common views to avoid repetition. If that is not possible, all are welcome to speak. As per school board policy, generally, speakers are limited to taxpayers, residents, or employees of this school district. It is asked that speakers observe proper decorum, without personal attacks towards a specific individual or individuals. It is not the custom for the Board to enter into a dialogue at these meetings about concerns. However, the Board does listen with care to issues raised. Speakers may receive responses by the administration or Board President.

PUBLIC CONCERNS

The Board encourages parents and other residents who have a concern about their children's education and other school-related problems to first try to resolve them at the level most directly involved – usually the classroom teacher or the principal. If the problem cannot be resolved at the principal level, then the next level would be the Assistant Superintendent or Superintendent. The School Board may become involved if the matter concerns a policy or board action. The Board is also accessible via email at www.beth.k12.pa.us/District/SchoolBoard.

Anyone wishing to send correspondence to the Board of School Directors may send the information to 1516 Sycamore Street, Bethlehem, Pennsylvania 18017.
